

Notice to Operators

Please be advised that, effective October 1, 2025, prices at both Midland International Air & Space Port (MAF) and Midland Airpark (MDD) for aircraft landings will increase from \$2.10 per 1,000 pounds to \$2.40 per 1,000 pounds for non-tenant aircraft with a certified maximum gross landing weight over 30,000 pounds.

This change is the result of a resolution passed by the City of Midland Council in September 2025. We appreciate your understanding as we implement these adjustments to better align with industry standards.

Thank you for your attention to this important update.

Sincerely,
